KCPD Crime Fighting Effort

The Kansas City Police Department is asking for your help to fight crime. If you notice any suspicious behavior, witness a crime, or have information about a crime, please contact one of the numbers below. We want to make sure our neighborhood is a safe place for everyone.

When reporting incidents to the police make sure to give a good description!

Call 911 to report a crime in progress. If you have any information about any past crimes or drug houses you can call the TIPS Hotline (816) 474-TIPS or the North Patrol Division at (816) 437-6200.

- 1) Do not leave valuables, like purses and cell phones, unsecured inside your car! If thieves can see it, they will want to steal it! Lock your car doors.
- 2) Do not leave your home's doors and windows open when you are not around. You should even shut your garage door when you are at home or in the backyard, especially at night. Criminals will walk into your home while you are there!
- 3) Do not allow door-to-door salesmen into your home. They could steal your property when you are distracted.

Meetings

If you have a concern or idea to help improve our neighborhood, we invite you to our board meetings. Our next meeting will be on December 15th at 7:00. We meet at the Northland Neighborhood Association office. It is located at the Antioch Mall on the lower level next to Burlington Coat Factory. Our meetings are typically the third Thursday of the month at 7:00. For future meetings, contact a board member to verify the date, time, and meeting place. We would love to see more residents get involved!

*We want to extend a huge thank you to Tom Clare for his hard work and commitment to the AHHA Board. Tom has resigned to focus on other commitments. We appreciate all of his help!
