## Pool News

As some of you know, the age limit has changed at the pool. During the Annual Meeting in April, those present discussed this topic and

voted to change the age limit to **16**.

We have had many issues with vandalism to our pool, as well as the liner being ripped and repaired causing the pool to be closed.

As a homeowner in Auburn Hills, we **all** have the right to ask kids/adults who are not following the rules to correct their behavior or be asked to leave the pool. Please remember, if you see anyone not acting appropriately at the pool or under the age limit, you can ask them to leave. We want the pool to be enjoyable for all, but we also need it to be safe for everyone who uses it.

**POOL PASSES:** This is a hot topic right now. We are desperately trying to get pool passes to everyone that needs one. We have been contacted by many of you regarding your pool pass. Most of you have received new pool passes. We are in the process of learning the computer system, which controls updating and validating new cards. We will get cards to everyone that needs one and do it as expediently as possible.

\*If you have lost your pool pass and need one replaced, the cost has not changed. The replacement cost is \$25.

## General Information

As a new board, we are trying to get acclimated to our new roles. We have discussed many things that need our immediate attention. The following are some of the things we have discussed:

1. Pool Passes
2. Dumpster at the pool
3. Quarterly Meetings for **all** homeowner's
4. Block Party in August
5. Update website

If you have any questions or comments for the board continue sending letters to the Associations address, which is:
