Reports of Vandalism

This is an informal notification of some situations that occurred in and around the neighborhood. Be aware, that a few vehicles have been broken into while parked either on the street or in the driveways of the neighborhood. Be sure to lock your cars each night and not leave valuables in them.

There has also been vandalism at the pool area which led to damages including the pool lights being broken. The vandals have been identified via security cameras and charges have been filed. The vandals were at the pool for over an hour after closing time.

Please call the police anytime you see vandalism in the neighborhood or trespassing after pool closing. It is not necessary to contact a board member as that then delays response time.

POOL NEWS

Greater security measures will need to be instituted next season as the new liner has already been ripped by chairs being in the pool. The patches have been tampered with as well. Please be kind to the pool and ask your children to do the same.

Also as homeowners, you have the authority to ask any pool rule violators to leave. The new camera system has been better able to identify pool violators and pool passes are being turned off.

great work caring for and maintaining the pool!

The pool closes Labor Day weekend and big thanks to Johnson Pool Service for the excellent service this season!

By-Laws Enforcement

There are still several homeowners who are in violation of the bylaws by storing trailers, boats and other non

automobile vehicles on the property. This is a clear violation and fines are being incurred. Fines can and being assessed for

homes in violation. The board also requests that the exteriors of homes are kept in good repair.

The board has been working hard to improve the appearance of the retention pond including adding sod and regular mowing. The hard work appears to be paying off.

WE HAVE SPACE AVAILABLE IN THE NEWSLETTERS TO ADVERTISE YOUR BUSINESS OR SERVICE. You may contact the board at board@ahha-kc.com at any time for questions, concerns or other issues.
