By-Laws Enforcement

Please be aware that the Board will be enforcing the following types of bylaws:
- Boats, campers, etc., should not be stored on homeowner's property.

- Non-working automobiles should not be stored in homeowner's driveway.
- Fines, yet to be determined, may be assessed for violations of the

above. These rules are meant to keep our community attractive to all. Thank you to all those keeping their homes and property beautiful.

There is a gang initiation reported by the local police department that gangs are placing a car seat by the road...with a "fake baby" in it...waiting for a woman, of course, to stop and check on the baby. Note that the location of this car seat will usually be beside a wooded or grassy field area...and the

person, a woman - will be dragged into the woods - beaten and raped - usually left for dead. DO NOT STOP!!! DIAL 9-1-1 AND INFORM THEM.

WE HAVE SPACE AVAILABLE IN THE NEWSLETTERS TO ADVERTISE YOUR BUSINESS OR SERVICE. You may contact the board at board@ahha-kc.com at any time for questions, concerns or other issues.
