## Important dates to remember

The annual business meeting for all Auburn Hills residents is scheduled for **April 20, 2010 at 6:30 pm at New Mark Middle School**. Please mark this date on your calendar

and plan to attend as there are many issues on the agenda to discuss.

Homeowners' dues are due by **February 28<sup>th</sup>**. After this time, a late fee will be assessed.

The annual Auburn Hills neighborhood garage sale is planned for **May 21 and 22**. The board will advertise the event, so there should be a good public turnout.

## Services Needed/ Provided

The board is seeking an accountant with tax experience for the Auburn Hills taxes. We would prefer a local resident. If interested, contact the board at [Board@ahha-kc.com](mailto:Board@ahha-kc.com)

We are also accepting bids for the spring/summer lawn care and pool maintenance. Contact the board for specific needs and criteria at [Board@ahha.kc.com](mailto:Board@ahha.kc.com)

The board hired a private contractor to plow the Auburn Hills streets after the big snow storm. This service is something that will be done at the discretion of the board if the city is not able to provide the service. We don't anticipate another snow storm as big as this past one. Many more plowing services would be detrimental to the budget.

### **Beware Census scammers**

While we have not yet received any reports of this in Kansas City, the Better Business Bureau has warned scammers might take the opportunity, during the 2010 Census, to attempt to steal victims' personal information. All citizens are encouraged to use caution when releasing any personal information to anyone.

The Census may be taken by mail, telephone, or a personal visit.

- If a U.S. Census worker knocks on your door, they will have a badge, a handheld device, a Census Bureau canvas bag and a confidentiality notice. Ask to see their identification and their badge before answering their questions. However, you should never invite anyone you don't know into your home.
- Census workers are currently only knocking on doors to verify address information. Do not give your Social Security number, credit card or banking information to anyone, even if they claim they need it for the U.S.

Census. While the Census Bureau might ask for basic financial information, such as a salary range, it will not ask for Social Security, bank account or credit card numbers nor will employees solicit donations.

- Eventually, Census workers may contact you by telephone, mail or in person at home. However, they will not contact you by e-mail, so be on the look out for e-mail scams impersonating the Census. Never click on a link or open any attachments in an e-mail that are supposedly from the U.S. Census Bureau.
